

## 7 Things CESD Teachers Can Do With Our New Dreamstalk Websites

1. **Sign In To Breeze** – when you want to make changes to your account, staff page, or homework. To do this, simply scroll to the bottom of your school’s website and click **Sign In**.

*Tip: Your username is your email address and your password is warmwind. If you cannot login, ask your school’s webmaster to set up an account for you.*

2. **Change Your Password** – the first time you sign in. To do this, click **Preferences** at the top of the screen.

**BREEZE FOR TEACHERS** Home **Preferences** My Website

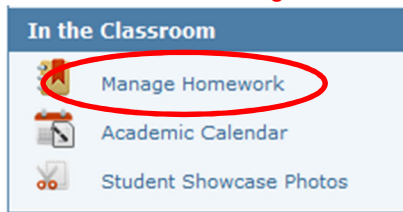

3. **Click on Home** – when you want to return to your original, main screen.

**BREEZE FOR TEACHERS** Home preferences My Website

4. **Update Your Staff Page** – by updating your biography, adding website links, uploading classroom photos, and posting announcements or “blogs”. To do this, click one of the choices under My Staff Page.

5. **Configure Your Classes** – to enable the posting of reminders, homework, and documents for students and parents. To do this, click **Manage Homework** and then **Configure My Classes**.

[Add Homework or Reminder](#) [Configure My Classes](#)

*Tip #1: K-4 Teachers may just want to choose the subject “Reminder” under “Option Classes”.*

*Tip #2: Additional subjects can be added (i.e. Physics 20) by your school’s webmaster.*

6. **Post Homework or Classroom Reminders** – by clicking **+ Add Homework** and entering your details. You can assign to one or more classes, include a description, and even attach documents.

Assigned Homework **+ Add Homework**

7. **Call Dreamstalk Studios** – Teachers and Webmasters can both call Dreamstalk at (403) 488-2433 whenever questions arise. In addition, teachers who would like to go the extra mile and design/maintain full classroom pages are welcome to contact Dreamstalk at anytime.

**School Webmasters:** Please ensure that all your teachers’ names appear in all three of these places:
