Course Mark: Evaluated Mark

School name: Bowden Grandview School

School year: 2015

Store code: S2

Hist. grade level: 12

You must provide EITHER (a) the course and section number of an existing section. OR (b) the course name if this is historical data for which no section record exists. If you provide a course and section, this grade will be associated with the student's enrollment in that section and will print on report cards. If you supply only the course name, the grade will print on transcripts but not on report cards since it is not associated with an actual section enrollment. In either case the grade will be included in transcripts, the Previous Grades screen, and GPA calculations.
